Governor's House 2016 Bid Request Form

Item	Description	Unit	Quantity	Price per unit Guarantee Price Thru Jan 31, 17	Price per unit for One Time Order	Total Price per unit Guarantee Price Thru Jan 31, 17	Total Price per unit for One Time Order
<b>Category 22 - Furnace</b> Bid prices for ALL items in this category MUST be entered on THIS form to be considered as a complete bid. Brand or manufacturer of product, and warranty and spec information, if applicable, must be included with bid to be considered as a complete bid. All bids must include freight costs with delivery to Springfield, SD. If a brand name is specified, equal or greater quality material will be allowed, but you must state brand substituted. Include normal lead time of your product. Down flow/horizontal gas furnace description: 95% natural/propane gas sealed combustion 2 pipe system; 2" PVC pipe for venting furnace, must be able to be vented from either right or left hand side or directly out the top, must have a zero clearance rating for closet installation; 40" maximum height; 40-45,000 BTU; coil box adaptable for A/C installation - no coil included; LP kit with every furnace; 24 volt heat/cool set back digital thermostat with 2 heat and 1 cool stage; condensate must be able to be taken out either side; must include all material needed for down flow installation. Upflow/Downflow adaptable electric furnace description: 15kw electric heat, 220 volt single phase, 24 volt heat/cool set back digital thermostat with 2 heat and 1 cool stage, with coil box adaptable for A/C installation - no coil included. Must include all material needed for down flow installation including a junction block for wire terminal connections. Equipment normally has 2 breakers, however, we run heavier wire and use 1 breaker and the junction block. Breakers must have a 3rd party listed cover. Each furnace is to meet energy star guidelines, have a minimum 5 year warranty on parts, and a limited life-time warranty on the heat exchanger to the original homeowner. Must provide customer service to the homeowners. Send warranty & spec information. Thermostat to be digital only - no mercury or snap acting thermostats accepted. The estimated quantity of furnaces depends on future house orders. We plan on ordering 155 furnaces. The estimate quantity is 83 gas & 72 electric, but we may need fewer gas and more electric furnaces or vice versa. We reserve the right to adjust quantities.
