<b>Category 25 - Siding</b> <b>Bid prices for ALL items in this category MUST be entered on THIS form to be considered as a complete bid. Brand or manufacturer of product, and warranty and spec information, if applicable, must be included with bid to be considered as a complete bid. All bids must include freight costs with delivery to Springfield, SD. If a brand name is specified, equal or greater quality material will be allowed, but you must state brand substituted. Include normal lead time of your product.</b> <b>Siding to have full rolled-over nail hem with snap locking system or grip tight locking that is self-supported during installation. Siding specifications should include thickness and any testing results, i.e. impact and wind resistance. Siding to be VSI (Vinyl Siding Institute) approved. Include spec &amp; warranty information, a 1' siding sample and a siding &amp; coil stock color chart. State lengths if different from those specified. Most material will be ordered in full box quantities. Material to be shipped on flat bed or soft sided trailers. We will be making a decision between dutch lap or traditional lap siding and on if we we will use item S120.</b> <b>The product you bid needs to be stock items of your company, not special orders, to insure prompt availability for the home owners across the state, either through your company or through local venders and lumber yards.</b>
