Housing Opportunity Fund

Purpose:

To preserve and expand sustainable, affordable and safe housing in communities throughout the state.

Who is Eligible:

Any for-profit entity, nonprofit entity, tribal government, housing authority, political subdivision of this state or agency of such subdivision, or agency of this state is eligible to apply for funding.

How it Works:

The South Dakota Housing Development Authority (SDHDA) and the SDHDA Board of Commissioners are responsible for the administration of the Housing Opportunity Fund (HOF). HOF Funds and program income are awarded through an application process in accordance with the HOF allocation plan.

Housing opportunities financed by HOF serve individuals and families at or below 115 percent of the Area Median Income for the corresponding county. SDHDA distributes HOF funds geographically throughout the state with 30 percent of the funds targeted for cities with a population of 50, 000 or more and the remaining 70 percent to the rest of the state.
