Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD Exchange at

https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/ - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.

- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2019 Continuum of Care (CoC) Program Competition. For more information see FY 2019 CoC Program Competition NOFA.

- To ensure that applications are considered for funding, applicants should read all sections of the FY 2019 CoC Program NOFA.

- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.

- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).

- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2018 Project Application will be imported into the FY 2019 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.

- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).

- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.

- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2019 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Data can be imported into a FY 2019 renewal project application from a FY 2018 new or renewal project application. For a project application that did not import last year's FY 2018 information, e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that select "Fully Consolidated" on the Grant Consolidation screen may not use the "Submit Without Changes" process and esnaps will automatically be set to "Make Changes". However, if the applicant selects "Individual Renewal", this project application(s) can use the "Submit Without Changes" process. In addition, esnaps will automatically be set to "Make Changes" if the project applicant indicates on the Renewal Expansion Screen, this project application is for a "Combined Renewal Expansion" project application. However, the standalone renewal expansion project application(s) can use the "Submit Without Changes" process.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen;
- Renewal Expansion Screen;
 Renewal Grant Consolidation Screen;
- Screen 3A. Project Detail
 Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in "Read-Only" format and should be reviewed for accuracy; including any updates that were made to the 2018 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select "Submit Without Changes" in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: "Submission Without Changes" Screen, select "Make Changes", and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks "Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and esnaps navigation guides found on the HUD Exchange to find more in depth information about applying under the FY 2019 CoC Competition.

Renewal Expansion

As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Expansion. This process can combine up to 1 stand-alone renewal project application and 2 stand-alone new expansion project applications into 1 combined renewal expansion project application. This means recipients no longer need to combine expansion data in CoC Post-Award. Renewal projects that are part of an expansion must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 GIW or eLOCCS, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be No part of a combined renewal expansion in the FY 2019 CoC Program Competition? "If "No" click on "Next" or "Save & Next" below to move to the next screen.

------------------------------------	---------	------------

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be No part of a renewal grant consolidation in the FY 2019 CoC Program Competition? If "No" click on "Next" or "Save & Next" below to move to the next screen.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

The target population for ICAP's Heartland House RRH Program is homeless families with children who are coming directly from the streets or emergency shelters, residing in a place not meant for human habitation, fleeing domestic violence situations, residing in TH funded by a joint TH and PH-RRH component project, or other persons who qualify under Paragraph 4 of the definition of homelessness. The majority of the adults served will be single female heads-of-households, based on agency experience, but there will be no such requirement. We also anticipate the majority of families will include 2-3 children, most of whom are under the age of ten. After entering the program, the family will complete an intake process, including determining any short-term and intermediate-term needs and issues. The Housing Stabilization Coach (HSC) and the family members will then complete a housing stabilization plan, which will provide detail as to the existing needs/issues, and a proposed plan as to how to address those needs. The plan includes information on ICAP and other existing programs and services that are available to the family, and a timeline for accessing and utilizing those resources. Through ongoing family case management, the family will make progress toward fulfilling the terms of the housing stabilization plan. In some cases, the HSC will build partnerships with other service providers, as appropriate, to gain access to specialized services that are needed by the participants. For example, staff will refer participants escaping domestic violence to subject-specific counseling or other services aimed at helping the participants to recover from that situation. If other specialized services such as drug/alcohol treatment are needed, the participant will be assisted in enrolling into those services. Outcome 1: Participants will enter into permanent housing within 30 days of completion of application. #2: Participants will remain in permanent housing for at least 12 months. #3: Participants will increase their total household income. ICAP staff have created many networks of collaborating partners among the area's service providers. All of the partners have realized that no one individual agency can meet all of the needs that exist among their participants. However, working together, they can all magnify the impact of their resources, while at the same time avoiding duplication of effort to the greatest extent possible.

Dear Sir or Madam:

This is in response to your letter of January 22, 2008, regarding your tax-exempt status. We received your Certificate of Amendment filed with the State of South Dakota November 20, 2006. We changed your name from Interlakes Community Action, Inc. to the name shown above.

Our records indicate that a determination letter was issued in March 1967 that recognized you as exempt from Federal income tax. Our records further indicate that you are currently exempt under section 501(c)(3) of the Internal Revenue Code.

Based on the information supplied, we recognized the subordinates named on the list you submitted as exempt from Federal income tax under section 501(c)(3) of the Code.

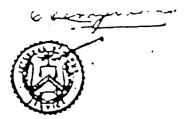

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Gentlemen:

On the basis of your stated purposes and the understanding that your operations will continue as evidenced to date or will conform to those proposed in your ruling application, we have concluded that you are exempt from Federal income tax as an organization described in section SOI(c)(3) of the Internal Revenue Code. Any changes in operation from those described, or in your character or purposes, must be reported immediately to your District Director for consideration of their effect upon your exempt status. You must also report any change in your name and address.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, in which event you are required to file Form 990-T. Our determination as to your liability for filing the annual information return, Form 990-A, is set forth above. That return, if required, must be filed on or before the 15th day of the fifth month after the close of your annual accounting period indicated above.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to you or for your use are deductible for Federal estate and gift tax purposes under the provisions of sections 2055, 2106 and 2522 of the Code.

You are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless you file a waiver of exemption certificate as provided in such oct. You are not liable for the tax imposed under the Federal Unemployment Tax Act. Inquiries about the waiver of exemption certificate for social security taxes should be addressed to your District Director, as should any questions concerning excise, employment or other Federal taxes.

Your District Director is being advised of this action.

Every exempt organization is required to have an Employer Identification Number, regardless of whether it has any employees. This number should be entered in the designated space on all Federal returns filed and referred to on all correspondence with the Internal Revenue Service. If you do not have such a number, your District Director will take steps to see that one is issued to you at an early date.

This ruling is not applicable to your proposed nursing-home project for elderly residents. In the event that you decide to establish and operate a nursing home, it will be necessary that you advise your District Director of all the facts in order that a determination may be made as to the effect of such action on your Exempt Status.

Very truly yours.

Barba

Dear Cindy:

Sioux Empire United Way is grateful for the important services your agency provides to people in our area. Funding requests are carefully reviewed by a team of volunteers who make preliminary funding recommendations that are then reviewed by the Community Impact Division Chairs followed by Sioux Empire United Way's Board of Directors. Funding is granted to programs with impactful outcomes and a demonstrated financial need.

Your organization has been granted the following funding amounts for 2020. These amounts are contingent upon United Way reaching its campaign goal and are subject to final review after the campaign is complete. Once this process is finalized, an email will be sent outlining the disbursement details.

Heartland House Rapid Rehousing:	\$121,000
Child Development Center:	\$ 60,000

Note: The terms and conditions of accepting this grant are outlined within Sioux Empire United Way's Manual of Policies and Procedures for Funded Agencies.

We are pleased to support your work in our community and ask that your organization acknowledges this support throughout the year in signage within your agency, newsletters, press releases, news stories, donor lists, special events, and etc. If you have any questions, please let me know.

Sincerely,

Jav Roy

Re: Program Matching Funds

To Whom it May Concern:

Inter-Lakes Community Action Partnership, Inc. (ICAP) has applied for matching funds from the City of Sioux Falls, SD however has not yet received a firm commitment letter.

If the funding commitment from the City of Sioux Falls, SD is not realized, this letter serves as a firm commitment from ICAP that the required matching funds requirement will be met by the agency.

Sincerely,

Cindy Dannenbring Executive Director
